VACANCY ANNOUNCEMENT
Bus (Diesel) Mechanic (South Jersey)

Posting #: 7563	Issue Date: 10/10/2024	Closing Date: 12/31/2024
Location: Neptune, NJ		
Salary: To be discussed with recruiter		

Position Summary

Bus Mechanic is responsible for repairing NJ TRANSIT buses for maintenance work. Conducts a variety of inspections, testing, repairs, installation and maintenance tasks on automotive, mechanical equipment and machinery. Inspect, test, and listen to defective equipment to diagnose malfunctions.

General Description

Roles and Responsibilities:

- Adjust and reline air and hydraulic brakes, align wheels, tighten bolts and screws, and reassemble equipment
- Attach test instruments to equipment and read dials and gauges to diagnose malfunctions
- Must be qualified to disassemble and overhaul internal combustion engines, pumps, generators, transmissions, clutches, and differential units
- Inspect brake systems, steering mechanisms, wheel bearings, and other important parts to ensure that they are in proper operating condition
- Inspect, repair, and maintain automotive and mechanical equipment and machinery such as pumps and compressors
- Inspect, test, and listen to defective equipment to diagnose malfunctions, using test instruments such as handheld computers, motor analyzers, chassis charts, and pressure gauges
- Perform routine maintenance such as changing oil, checking batteries, and lubricating equipment and machinery
- Must be qualified to install or rebuild diesel engines
- Recondition and replace parts, pistons, bearings, gears, and valves
- Repair and adjust seats, doors, and windows, and install and repair accessories
- Must be qualified to fix and maintain parts of the engine, such as fuel injection systems
- Experience using hand tools and power tools as part of daily work routine
- Other duties as directed and or assigned, to include and to ensure the safe operation and efficiency of the department

Education, Experience, and Qualifications:

- High school diploma or equivalent (GED) required.
- Must be a minimum of 21 years of age.
- Must be able to work flexible hours.
- Be able to pass the pre-employment physical and background check
- Various Positions: 0-15 years automotive or diesel mechanical experience. Must be able to diagnose, troubleshoot, and repair all vehicles and equipment in service with minimal supervision.
- Must possess a CDL license with air brakes and a passenger endorsement or have the ability and willingness to obtain one
- 609 air conditioning certification and at least three H or T series ASE certifications preferred

At NJ TRANSIT, diversity and inclusivity are vital to our success as are committed to hiring individuals from diverse backgrounds, experiences, abilities, and veteran status. As an Equal Opportunity Employer, we encourage all qualified applicants to apply and join our team.
